ABOUT PREE FIRE & SAFETY SOLUTIONS

Pree Fire & Safety Solutions is a leading provider of comprehensive fire protection, safety, security, compliance, and industrial support services. With a strong commitment to quality, innovation, and customer satisfaction, we deliver end-to-end solutions that protect lives, secure assets, and ensure complete regulatory compliance.

Backed by a team of experienced professionals and advanced technology, we serve a wide range of industries with reliable products, expert installation, and responsive support.

01 ONE STOP SAFETY HUB
All your fire protection, security, compliance, and industrial safety needs under one roof.

02 CERTIFIED QUALITY
We use certified products and follow national & international safety standards.

03 EXPERT ENGINEERS
A team of highly trained safety engineers and certified technicians with rich experience.

04 24/7 SUPPORT
Round-the-clock emergency support and quick-response service you can rely on.

05 COMPLETE COMPLIANCE
End-to-end support for audits, documentation, and obtaining statutory approvals & NOCs.

06 AMC SERVICES
Comprehensive Annual Maintenance Contracts for continuous safety and system reliability.

YOUR SAFETY. **OUR RESPONSIBILITY**

FIRE EXTINGUISHERS

Advanced fire protection solutions designed to detect, control, and suppress fire hazards, ensuring safety of life, assets, and business continuity.

Complete range of ABC Dry Powder, CO2, Water, Foam & Clean Agent extinguishers

Refilling, hydro-testing & pressure checks

Usage training & mock drills

Annual Maintenance Contracts with bar-code tracking

PROTECTING LIVES. BUILDING SAFER SPACES.

HYDRANT & SPRINKLER SYSTEMS

Advanced fire protection solutions designed to detect, control, and suppress fire hazards, ensuring safety of life, assets, and business continuity.

FIRE HYDRANT SYSTEMS

- High-pressure underground & internal piping networks
- Premium landing valve, hose reels & accessories
- Automatic fire pump rooms with diesel & electric pumps
- Regular pressure testing for maximum reliability

AUTOMATIC SPRINKLER SYSTEMS

- Heat-sensitive glass bulb sprinklers for quick activation
- Custom sprinkler layouts for all types of buildings
- Installation of control valves (ICV), DP & water motor gongs
- Regular inspection, nozzle cleaning & line flushing

EARLY DETECTION. **RAPID RESPONSE.** MAXIMUM PROTECTION.

SMOKE DETECTION & ALARM SYSTEMS

Advanced detection solutions that deliver real-time monitoring, instant alerts, and complete protection 24/7.

01

SMOKE & HEAT DETECTION

Optical & ionisation smoke detectors

Rate-of-rise & fixed temperature heat detectors

Gas leak detectors (LPG, CNG, toxic)

Flame detectors for high-risk areas

02

FIRE ALARM SYSTEMS

Conventional & addressable fire alarm panels

High-decibel hooters, strobes & sirens

Manual call points (break glass units)

Integration with BMS, lifts, access control & ventilation

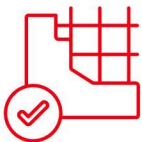

REAL TIME MONITORING. **INSTANT ALERTS.** TOTAL SECURITY

METAL WELDING & FABRICATION

Reliable infrastructure support and specialized services that enhance safety, durability, and operational efficiency.

STRUCTURAL WORK

Fire exit staircases, safety platforms, heavy-duty equipment cages

SECURITY GRILLS & GATES

Custom window grills, rolling shutters, and main gates.

MATERIAL OPTIONS

High-grade Mild Steel (MS) and Stainless Steel (SS) fabrication.

EXPERT FINISH

Professional welding, anti-rust coating, and precision alignment.

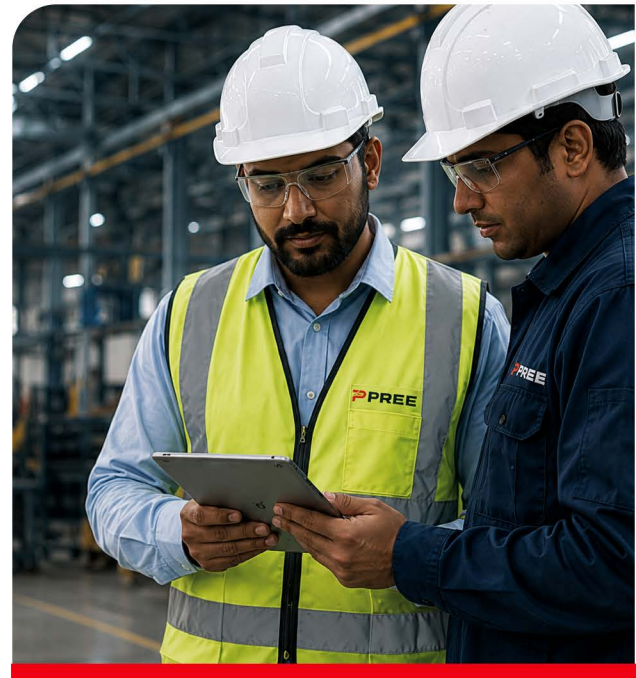

SAFE WORK SPACE. **STRONGER TOMORROW.**

INDUSTRIAL SAFETY & COMPLIANCE

Comprehensive safety solutions and compliance support to build a safer workplace, reduce risks, and ensure regulatory adherence.

01 SAFETY AUDITS & INSPECTIONS

- Risk assessment & hazard identification
- Compliance checks as per statutory norms
- Detailed audit reports & floor plans
- Assistance in obtaining NOC & certifications

02 PREMIUM SAFETY GEAR (PPE)

- High-visibility clothing & flame-retardant wear
- Helmets, face shields & welding protection
- Safety shoes, gloves & hand protection
- Fall protection harness, lifelines & accessories

03 SAFETY SIGNAGE

- Photoluminescent emergency exit signs
- Hazard warning & caution boards
- Custom-printed facility maps & instruction boards
- Durable ACP, acrylic & retro-reflective signage

04 ROAD SAFETY PRODUCTS

- Traffic cones, speed bumps & spring posts
- Unbreakable convex mirrors for blind spots
- Solar road studs & delineators
- Wheel stoppers & parking curbs

PROTECTING LIVES. BUILDING SAFER SPACES.

PEST CONTROL & SAFETY

Professional pest control solutions to ensure a hygienic, safe, and pest-free environment for your home, business, and industrial spaces.

COMPREHENSIVE PEST CONTROL

Effective treatment for insects, rodents, termites, and other pests.

INSPECTION & ASSESSMENT

Thorough inspection to identify pest source, infestation level, and risk areas.

EXPERT TECHNICIANS

Trained and certified professionals with the right tools and techniques.

COMPLIANCE SUPPORT

We help you maintain hygiene standards and meet regulatory norms.

PROTECTING LIVES. BUILDING SAFER SPACES.

SECURITY & SURVEILLANCE

Smart security solutions designed to monitor, control, and protect your people, property, and operations.

CCTV SURVEILLANCE

Indoor & Outdoor CCTV
24/7 Video Monitoring
Remote Viewing
Recording & Playback

ACCESS CONTROL

Biometric Systems
RFID / Card Access
Door Access Control
Visitor Management

INTRUSION DETECTION

Burglar Alarms
Motion Detection
Perimeter Protection
Emergency Alerts

SECURITY MONITORING

Centralized Monitoring
Remote Surveillance
System Integration
Maintenance & Support

ENHANCED SECURITY. **COMPLETE CONTROL.**

OUR WORK PROCESS

01

SITE VISIT

Understanding your requirements and site conditions.

02

RISK ASSESSMENT

Identifying hazards and evaluating risks for effective solutions.

03

SYSTEM DESIGN

Customized design and planning as per safety norms & standards.

04

INSTALLATION

Professional supply and installation by expert technicians.

05

TESTING & COMMISSIONING

Rigorous testing to ensure performance and compliance.

06

AMC & SERVICE SUPPORT

Ongoing maintenance and 24/7 support for long-term reliability.

PRODUCTS & INDUSTRIES WE SERVE

OUR PRODUCTS

 SPRINKLERSYSTEM	 LANDING VALVE	 FIRE HOSE PIPE	 EXTINGUISHER
 SMOKE DETECTOR	 FIRE ALARMPANEL	 BURGLAR ALARM	 SAFETY HELMET

INDUSTRIES

 FACTORIES	 WAREHOUSES	 CONSTRUCTION SITES	 HOSPITALS
 HOTEL	 COMMERCIAL BUILDINGS	 SCHOOL	 RESIDENTIAL SITES

COMPLETE SOLUTION. MAXIMUM PROTECTION.
